Then guard yourselves while you may. The smallest pinyle on the skin is a tell-tale indicator of discase. It may fast and die away from the surface of the body, but it will reach the vitals, perhaps, at inst, and death be the the result and final close. Maggiel's Bilioux, Dyspeptic, and Diarrhea Pfils cure where all others fail. While for Burna, Scatta, Chilbiains, Cuts, and all abrasious of the skin, Haggiel's Salve is infailfile. Then, when contentment unutterable in every motion of being shall dwell:

Then with thy prairies and death beding damps, and all Druggiests, at 25 cents per lox. oc28 Réchav.

De PHILOSOPHY OF MARRIAGE.

The Proprietors of the New York Museum of Anatomy have determined, regardless of expense, to be seen free (for the benefit of smilering humanity, and suppression of queckery) four of their most inforesting and instructive Lectures on Marriages and its Disqualifications, Newtons and Physical Debit 137. Fremature decline of Manhood, Indipestion, Weakness or Depression, Impotency, Loss of Eurgrand Manly Power; the Great Social Evil, and those Maindies which result from youthful foilies, excesses of maturity, and ignorance of Physiology and laws of mature.

These Invaluable Lectures have been the means of enlightoning and saving thousands, and will be forwarded free, our receipt of four stamps, by addressing SECRETARIX, New York Massen of the Power the Green of the Williams of the BRIDAL CHAMBER.—An Bessy of Warning and Instruction for Young Mun.

Also, new and reliable treatment for Bissasses of the Utinary and Serual Systems. Sent free in the Universal of the Utinary and Serual Systems. Sent free in

Come thou, whose terrible coming shall make Love hard as fear, and the bridegroom forsake Her that is stricken with death in his arms: Come, with thy rumors and endless elarms: Make men abhor one another; make sons Fly mothers flying their fatherhess one; Make kindred cruel to kindred, and blood Venum to blood; let night's silence broad on the noon's heart, now hearing so high; Let all the voices of traffic be dnubt; Pleasure's new sucrets and youth's laughter f VI. Let all the voices of traffic be dumb;

[Fleasure's gay speech, and youth's laughter free,

hildren's sweet treble, and babe's bubble, be

Hushed at the banquet devoted to thee;

Nought but the mourners' slow feet going by,

With the dumb wheels of the hearses that creep,

Harmessed to nightmares, trouble the sleep

Of the great city we deck for thy home!

[The Nation.]

[The Nation. NASBY.

A Wail Over Noo Jersey,

ON THE WING, Nov. 9th, 1865, Never wux I in so pleasant a frame uv mind ex last night. All wux peace with me; for after bein buffeted about the world for three skore years, at last it eemed to me ez tho forchune, tired uv ersekootin an unforchuit bein, had taken ne into favor. I hed a solemn promise rom the Dimikratic State Central Committy in the great State uv Noo Gersey, that ez our candidate for Governor waz dooly elected, I shood hev the position uv Dorekeeper to the House uv the Lord (wich in this State means the Caputal & wich is certainly better than dwellin in the tents uv wicked grosery keepers, on tick, ez I do) and a joodishus exhibition uv this promise hed prokoored for me un-limited facilities for borrerin, wich I im-

proved, muchly.
On Wednesday nite I wuz a sittin in neral Fire, Marine & Ins. Agt. my room, a enjoyin the pleasin reflection that in a few days I should be placed should imply, the matter becomes simply should imply, the matter becomes simply Office, Oviatt's Exchange, foot Superior Street, above want, & beyond the contingencies uv fortune. Wood! oh wood! thet I hed died then and there, before that dream uv there lives a man who takes one. He 3,606,778 flung it thro the window to me and passed on. I opened it eagerly and glanced at

"NOO GERSEY-5,000 REPUBLIKIN !" Particular attention given to the adjustment of Conclong and piercin shreek wuz heard farine Losses. L. D. HUDSON, thro that house, and wen the inmates rushed into the room they found me inanymate on the floor. The fatal paper lay near me, explainin the cause uv the catasonly chance uv gittin what wuz back—she insistin that ef I was brung to I'd go on runnin up the bill bigger and bigger, and never pay at last. While they was argooin the matter pro and con, I hap-pened to git a good smell uv his breath,

wich restored me to consciousness to-wunst, without further assistance. When in trouble my poetic sole alluz finds vent in song. Did ever poet who delited in tombs, and dark, rollin streams, and consumption, and blighted bones, and

and now the waters uv afflication are about

Southword I turn my implorin gaze,

Darkness falls over me, like a pall—the
hadder uv woe encompasseth men.

Let the light, whether natural or arti-

tears uv auguish, varyin in size from a to one side.

Whe will deliver us? Who will pluck us from the pit into which we have fallen? Where I shel go the lord only knows, white with the lord only knows with the lord only knows, white with the lord only knows with the lord only knows Who will deliver us? Who will pluck

but my impression is, South Karliny will be my future home. Wade Hampton is electid Governor, certin, and in that noble State, one may perhaps preserve enough uv the old Democratic State Rites leaven to leaven the whole lump.

"I'm affoat—I'm affoat On the dark rollin sea." And into what harbor fate will drive my weather-beaten bark, the undersigned can not trooly say.

Noo Gersey—farewell! The world may stand it a year or two, but I doubt it.

Mournfully and sadly.

Perroleum V. Nassy.

Late Paster uv the Church uv the No

a LITERARY.

Messrs. Hurd & Houghton, 401 Broadway, have a volume of specimen pages of a splendid edition of Webster's New Dictionary. It is on very large paper, sized and calendered imperial folio, ten by fif-teen inches, and in the best style of the "Riverside press." An edition of two hundred and fifty copies only is to be published, and sold by subscription at twentyfive dollars per copy, in two volumes, pr

J. E. Tilton & Co., of Boston, announce of Boston, announce for immediate publication a work entitled "The Art of Confectionery; with various Methods of Preserving Fruits, the Preparation of Jams and Jellies; Summer Beverages, and different Methods of Making Ice Cream, Sherbet, &c." This volume of the preserving for some ume has been in preparation for some years, and many of the receipts, obtained from the best confectioners in New York, Philadelphia and Boston, have been satisfactorily tested. In a few days the same house will publish Tennyson's complete works, and a fine edition of Goldsmith's

works, and a fine edition of Goldsmith's
"Deserted Village" — both abundantly
illustrated. Other works are in preparation, and the assortment for the holidays
will be large and attractive.

The Sunday School Union of this city
has published a little volume of "Queson the Natural History of the Bible in which we find such frightful conun drums as these:
"How does the partridge resemble

an obliged to relinguish ill-gotten gains?
"How is the security of the righteous, with respect to the adder, spoken of ?
"How much barley was included in the tribute paid by the Ammonities to Jotham, The religious edification which the outhful mind can glean from these studies

s at once apparent. London sixpenny magazine The new London sixpensy magazine, the Argosy, is to be started on the 1st of December: Sampson Low & Co., the publishers, say in their prospectus: "In launching the Arsosy, her owners and cuptain anticipate the question, 'Are there not enough of these light magazine craft affloat already?" They answer that their venture will not run into cellision with any; she will sail the high seas of literature, and bring her freights from the realms of imagination and fancy. The products of these regions make a market for themselves—their gems, and silks, and spices creating the desire which they sat-

A chronicle of the book taste of the day would be very incomplete that omitted any allusion to the fashion for "large paany allusion to the fashion for "large paper" copies now raging with virulence and an unhealthy disregard for pecuniary considerations among our would-be-amateurs. When a book, by its embellishments or the perfection of its mechanical execution, becomes a real work of art, a large-paper copy often stands to an ordinary one in the same relation that an early proof of an engraving bears to a common impression. The least imagina tive of men often delight in possessing as fine a specimen as possible of a favorite author or edition, in the same spirit that led Alexander to enshrine the Iliad in the most costly casket afforded by the species.

most costly casket afforded by the spoils of Darius. The indulgence of a taste of this kind is of course not only excusable but laudable. When old stereotypeplates, however, are printed off on paper of exaggerated size, and rubbish is manu-factured on the principle of a "rivulet of text running through a meadow of margin," with the express purpose of taking in the half-educated, who jump at a name obtained on such shallow pretens deserve little re Acquaintance with

real sympathy. bliss wuz roodly broken. A wicked boy cum runnin past with a paper wich hed brought from the next town where there lives a man are taken at the content of the proper. They are generally treated sport there lives a man are taken at the content of ively, as exemplifying the fopperies that often attach to serious studies. The great-est of modern book collectors, Richard Heber, would never admit a large book into his library. The whole thing i perfectly arbitrary, reducible to no rules depending entirely on the fluctuations of individual fancy. The early printers be fore A. D. 1500, were not accustomed to this luxury; the first well-ascertained book on large paper was the edition of Liv-printed by Aldus about the year 1518 near mc, explaining the cause uv the cause to the cause trophe. The kind-hearted landlord, after feelin uv my pockets and diskivering that the contents thereof wood not pay the arrearages uv board, held a hurried consultation with his wife as to the propriety uv bringin me to, he insisting that it wuz the only chance uv gittin what wuz back—he insisting that of I was brung to I'd go on that account, but are rather regarded on that account, but are rather regarded. as lumber. There are two curious exceptions; the Heslod, edited by Robinson, and tions, the Heslod, edited by Robinson, and printed at Oxford, 1737, is worth, for an ordinary copy in quarto, fifteen shillings. Ten copies only were printed on largest paper, making a folio. They are worth over one hundred guineas. The last copy sold brought at an auction at Brighton, where no one was acquainted with its value about twenty were since, two value, about twenty years since, two guineas and a half. It was subsequently

decay, and sich themes, ever hev such a pick of subjects ex I hev at this time? The follerin may be a consolation to the few Dimokrats uv the North, who have gone so farinto copperheadism that they can't change their base?
